Re: EC Regulations 1907/2006 REACH

Dear Customer

We declare herewith that Sipa S.p.A.

1) are acquainted with the provisions included in REACH, meet the obligations within their province and check in turn that their suppliers are operating in accordance with it.

2) appear according to REACH as:

- Final Downstream User:
 - Industrial;
 - Manufacturer of items.
- Importer of substances contained in items.

3) are not subjected to any registration obligations according to REACH, since:

- They don't appear as manufacturer or importer of a substance as such or as component of a compound;
- None of the substances contained in the produced or imported items (according to the information supplied by our suppliers) will be intentionally emitted in normal or reasonably foreseeable operating conditions;

4) are not subjected to any information obligations according to the article 33 of REACH, since none of the substances contained in the supplied items is included so far in the list of substances, which are due to be recognized as highly dangerous in percentage over 0,1% (p/p).

To complete the supplied information, are available the Safety Data Sheets of the Protection Oils and the Phosphatizing Solution applied on our profiles according to the requested specifications.

We remain at Your disposal for further information.

Best regards
